On Saturday & Sunday ~ Review & Reflect

Review the scriptures you read the past week, especially the verses you underlined, and reflect on what they mean to you. Read 2 Timothy 3: 16 & 17 and ask God how you can more fully apply His Word in your life.

Review the questions you wrote down and read the passages of scriptures that you have trouble with from different Bible Translations to gain a better understanding of what the original Greek language said. Look up other Bible passages that relate to those verses to help make it clearer and more understandable. Then be certain to attend worship services on Sunday as you praise God for all that He has revealed to you during the week and encourage other believers in their journey with God and be encouraged by them.
